

PAANK MONTHLY REPORT

October 2025

This report documents the alarming human rights violations occurring in Balochistan, with a particular focus on enforced disappearances and extrajudicial killings. The cases recorded during October 2025 reveal a deeply concerning pattern of state repression, arbitrary detentions, physical and psychological torture, and unlawful executions carried out by Pakistani security forces. These abuses underscore a continuing climate of impunity and fear across the Balochistan.

During October 2025, Balochistan, along with reported cases from Karachi in Sindh and Dera Ghazi Khan in Punjab, experienced a sustained surge in violations.

A total of **87 cases of enforced disappearances** were documented, reflecting widespread and systematic targeting of civilians. Additionally, **18 victims were released** after enduring severe mental and physical torture, further illustrating the use of coercive interrogation methods.

During this month, **20 confirmed cases of extrajudicial killings** were recorded, highlighting the lethal consequences of unchecked state power.

These findings reflect the deteriorating human rights situation in Balochistan and indicate an urgent need for independent investigations, accountability mechanisms, and international monitoring to protect vulnerable communities.

Statistics of Enforced Disappearances — October 2025

The following districts reported cases of enforced disappearances and illegal detentions during October 2025:

District-wise Cases

- Gwadar: 2
